**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow me to keep my internet service with Sonic using the only available connection available to me: old at&t lines.

I live in an area (Nob Hill San Francisco) that at this time does not have fibre.

Slow (and surprising) but as a senior with limited money I need to stay connected to the world via land line and internet.

Cutting me off or increasing the fees can mean I eat even less than I do now.

Please do not allow negative changes that will hurt me.

Thank you.
